

Fareham is a Fairtrade Borough

The Fareham Fairtrade Borough Working Group consists of local people who are committed to promoting Fairtrade. Our aims include increasing the availability of Fairtrade goods, and awareness of Fairtrade in and around the Fareham Borough. We welcome the involvement of anyone who would like to help. As a group we keep track of Fairtrade goods available locally, and compile this guide. If you know of any new outlets for Fairtrade products, or if you are a member of a local organisation which uses Fairtrade products, please contact us.

Fairtrade Shopping

Fairtrade is about making choices when buying. The choices can be very simple, and cost nothing more than a few seconds scanning the shelves for products displaying the Fairtrade mark. This mark is your guarantee that disadvantaged producers in the developing world are getting a better deal: earning a fair price for their goods; long term contracts which provide real security; and for many, support to gain the knowledge and skills they need to develop their businesses. Today more than five million farmers, workers and their families, across forty-nine developing countries, benefit from the international Fairtrade system.

Please encourage local shops, cafés and restaurants that you visit to stock Fairtrade products.
